

Bug Report Template for Aposis

- Name of bug
UI health no updating when you hit reset
- Short Description of what is wrong. (one short Sentences)
When using the skill points to upgrade your health (the 10 point) and you hit the reset button the health down drop back down to the starting point.
- Describe the bug (Paragraph or less)
- The health doesn't reset on the player stats if you hit the reset button it only updates from when you add another upgrade to the player. also, the 10 health doesn't show when you first click it to add it
- Severity ranking 1 to 3 (1 = crashes 2 = game stopping bug 3 = a bug that doesn't impact the game)

Severity rating 3

- Video of bug
Can be seen on the video I have sent you at 01:16:55 – 01:17:41 but best seen for the 10 point health not working at 01:017:04 onwards
